BEST
FOR YOU

INTRODUCTION

Talk about learning a language. Learn how to ask for help, and how to give help.

In this lesson, we'll go over some of the vocabulary you'll need to talk about learning a second language. We'll also take a look at asking for help and giving help.

START

PEAK?

Italian

Hindi

Arabic

WARM-UP

When was the last time you asked for help? Have you ever helped someone with their homework?

GETTING STARTED

What tools do you use when learning? Discuss some of your learning techniques.

01 Help!

Complete the following dialogue with the phrases provided below.

having a problem / network administrator / it worked
/ Can I help you

Kate: Good morning. _____?

AZ

Network (noun) a connected group
work (verb) to function properly
access (noun) to be able to use
network administrator (noun) person that maintains the network

01 Help!

Will: Yes. I'm _____ joining the network.

I need to **access** my email.

Kate: Let's try it again using my **network** ID. Oh,
_____! Great.

Will: There must be something wrong with my ID
number. I'll have to contact the _____.

Network (noun) a connected group
work (verb) to function properly
access (noun) to be able to use
network administrator (noun) person that maintains
the network

DISCUSSION

Who is asking for help?

What's the problem?

01

02 Your Turn

Try creating your own dialogue with a partner.

Use some of the phrases and questions

provided:

- Can I help you?
- What can I help you with?
- _____isn't working.
- I can't seem to _____.
- I can't remember how to _____.

03 Learning Online

In today's world, learning online has become **commonplace**. Universities, colleges, and schools of almost every type are offering courses that can be completed without actually having to go to a **particular** place at a particular time. This has huge **benefits** both for the students and the educational **institutions**.

Commonplace (adjective) not unusual; normal
Particular (adjective) a specific member of a group
Benefit (noun) an advantage
Institution (noun) an educational, religious, or political organization

DISCUSSION

What do you learn online?

What are some of the benefits for students and schools?

02

04 Vocab builder
