E-TALKING  
BEST  
FOR YOU

# INTRODUCTION

say what you like and dislike; talk about films

In this lesson, we will discover ways to talk about what we like to do ( our hobbies), and what our personal interests are.

START

## WARM - UP

Do you like movies?

What kinds of movies do you like?

What else do you find interesting?

# GETTING STARTED

What kind of movies does your partner like to watch?

Do you watch movies at home (DVD/internet/TV), at the cinema  
(movie theater), or on your phone?

# VOCABULARY

**Variety** (noun) the state of being different

**Cinema** (noun) movie theater

**Curl up** (phrase) sit comfortably, with legs bent and feet off of the floor

**Action movies** (phrase) movies with a lot of physical challenges, such as violence and car chases

**Prefers** (verb) likes one thing more than others

**Comedies** (noun) movies that make you laugh

## Sarah

My family watches movies in a **variety** of different ways. Sometimes we go to the **cinema** to watch movies, but I like to watch movies at home. We usually get a DVD from the DVD store and **curl up** on the sofa together. Mom makes popcorn in a big bowl to share. Sometimes, we watch movies from the internet.

# DISCUSSION

Do you like to watch movies at home? Why?

01

## Marco and his Family

My whole family likes movies. My favorite movies are **action movies**. I like that they're so exciting. My sister likes to laugh, so she **prefers comedies**. My dad always wants to see **documentaries**. Sometimes it's hard to choose a movie we will all like. **Luckily**, my mom likes all kinds of movies!

# DISCUSSION

What kind of movies does your family like? Why?

02

## REVIEW DISCUSSION

Discuss some of the best movies ever made. Why are they the best in your opinion? Share your opinion.

# SPEAKING TASK

Besides watching movies, what other activities do you find  
interesting?

Why do you find these activities interesting?
