

GETTING STARTED

Do you think people learn when they travel? Why or why not? If yes, what do you like to learn when you travel?

02 Reading time cont...

Traveling to a distant place and doing exciting things can **rejuvenate** a person. When this person returns home, they are ready to take on challenges in work and life. When a person travels, they may forget their worries for a time. They will be able to think more clearly. Travel can heal and mend a broken heart.

Az

Rejuvenate (verb): to make (someone) feel or look young, healthy, or energetic again

Mend (verb): to heal or cure (a broken bone, a sad feeling, etc.)

03 Comprehension questions:

What are the reasons people travel?

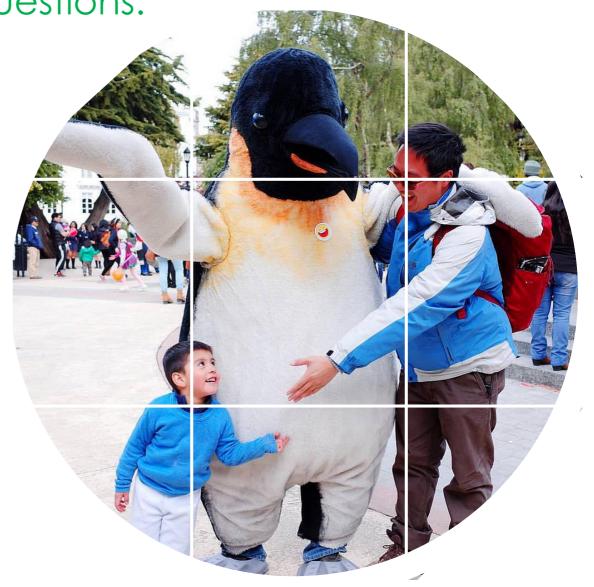

What happens when you travel to a

different place?

Are people better when they return home

from traveling?

What can travel heal?

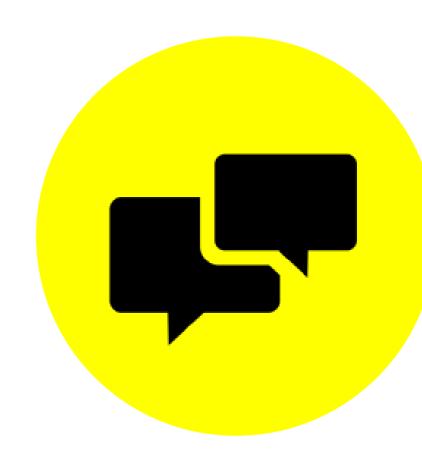

REVIEW DISCUSSION

Where do you go when you travel?

What places do you want to see and experience?

If you wanted to learn a new language where would

you go and what would you study?
